Guía paso a paso, desde cero

Introducción

Esta guía te acompaña desde el primer clic, para que puedas registrarte y empezar a aprender Dynatrace aunque nunca lo hayas usado. No necesitas conocimientos previos: solo sigue los pasos en orden y compara tu pantalla con las imágenes de esta guía.

¿Qué es cada cosa?

- **Dynatrace** es una plataforma de observabilidad y monitoreo que ayuda a las empresas a entender el estado y el rendimiento de sus aplicaciones e infraestructura.
- **Dynatrace Playground** es un entorno de práctica gratuito, con datos de ejemplo, donde puedes explorar la plataforma sin instalar nada y sin riesgo.
- **Dynatrace University** es el portal de capacitación oficial, con cursos, planes de aprendizaje y certificaciones.
- **Dynatrace Essentials** es el curso introductorio: son 9 lecciones (aprox. 4 h 30 min) que sientan las bases para usar Dynatrace.

¿Qué vas a lograr con este manual?

1. Crear tu cuenta y acceder al Dynatrace Playground.
2. Entrar a Dynatrace University con esa misma cuenta.
3. Inscribirte y comenzar la capacitación Dynatrace Essentials.

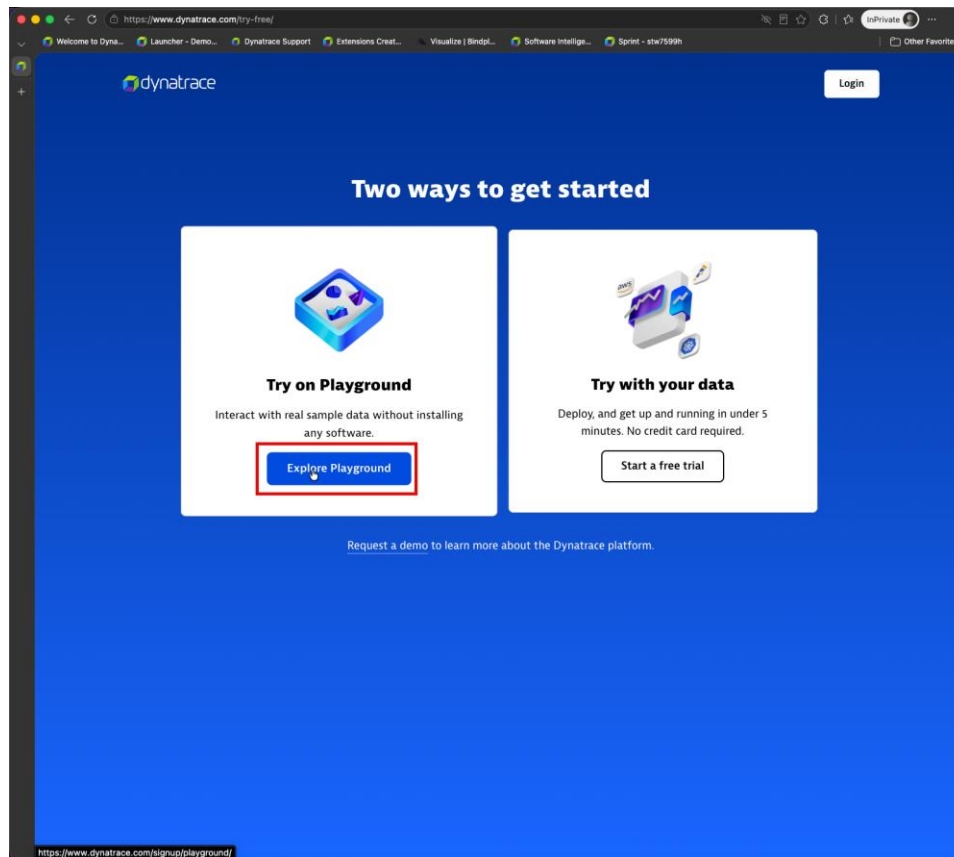

Antes de empezar

- Necesitaras una dirección correo electrónico.
- Usa un navegador actualizado (Chrome, Edge o Firefox).
- Recomendación: abre una ventana privada / incógnito (InPrivate) para evitar sesiones anteriores.
- Importante: el correo y la contraseña que crees en el Paso 1 serán los mismos que usarás para entrar a Dynatrace University.

Parte 1 · Crear tu cuenta y acceder al Playground

Paso 1 — Elegir “Explore Playground”

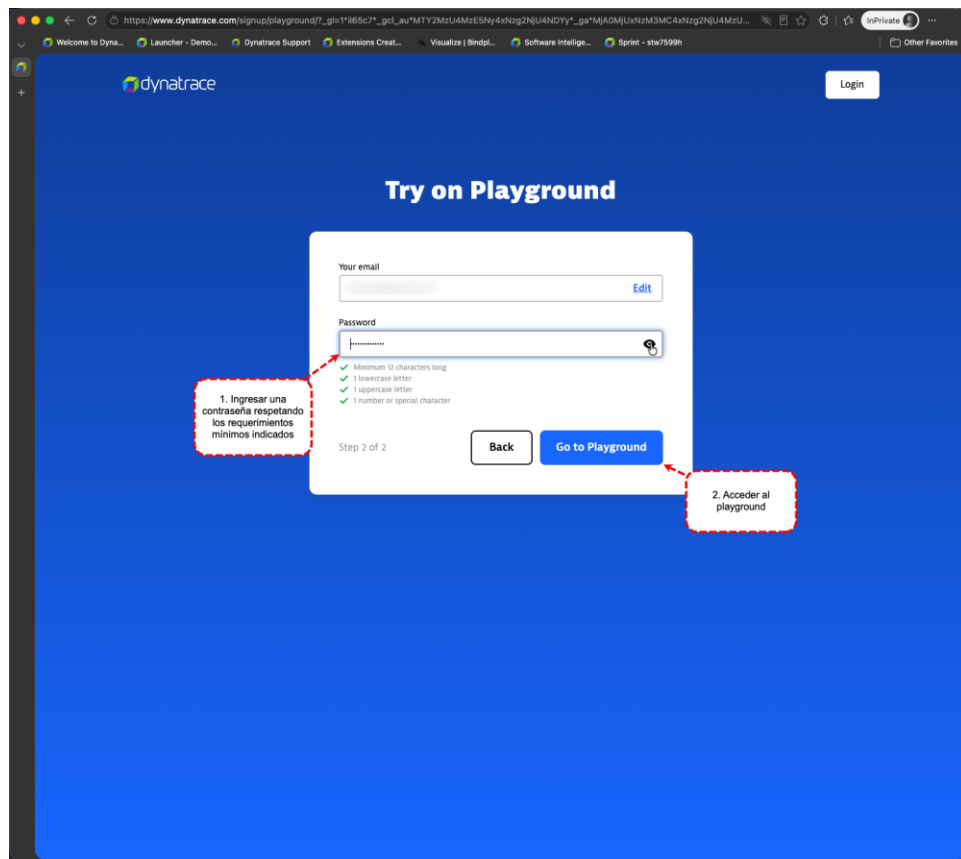

Ingresa a <https://www.dynatrace.com/try-free/>. Verás dos opciones. Elige la de la izquierda, “Try on Playground”, y haz clic en el botón “Explore Playground”.

Página “Two ways to get started”. Haz clic en “Explore Playground”.

Paso 2 — Ingresar tu correo y aceptar los términos

1. Escribe tu **correo electrónico** en el campo “Your email”.
2. Marca la casilla para **aceptar los términos de uso** (“I have read and agree...”).
3. Haz clic en “Continue”.

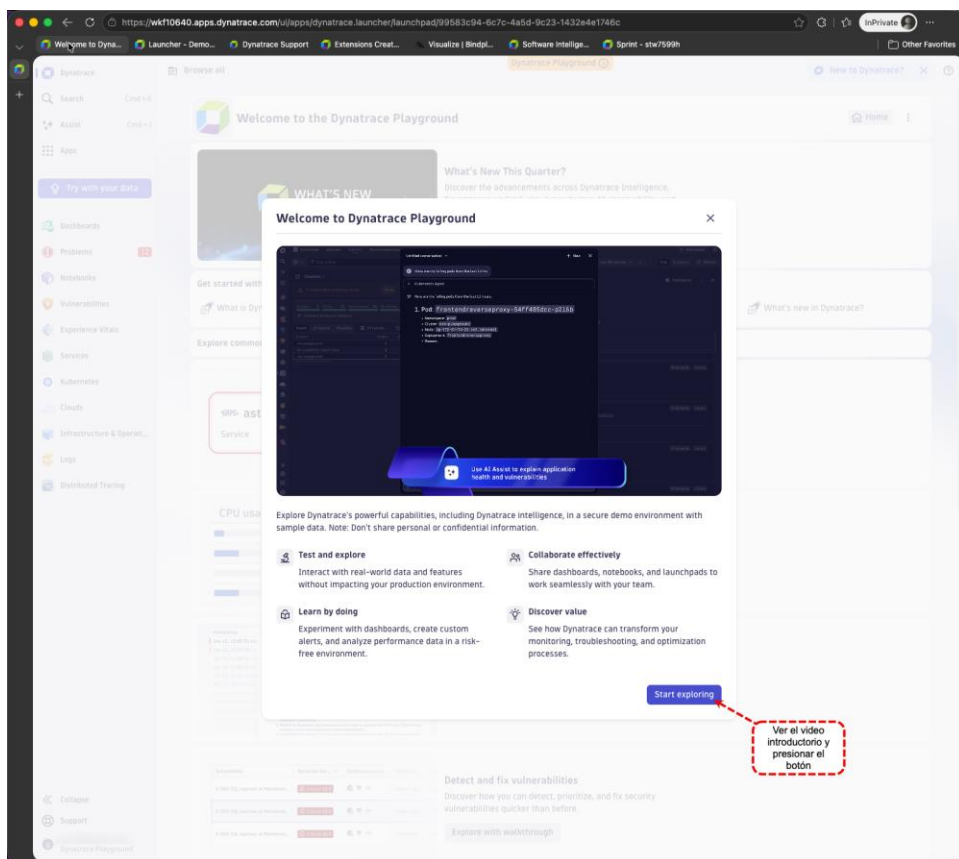

Paso 2 de 2: ingresa una contraseña válida y presiona "Go to Playground".

Recuerda tu contraseña

Guarda en un lugar seguro el correo y la contraseña que acabas de crear. Los necesitarás nuevamente para acceder a Dynatrace University en la Parte 2.

Paso 4 — Observar el video de bienvenida y empezar a explorar

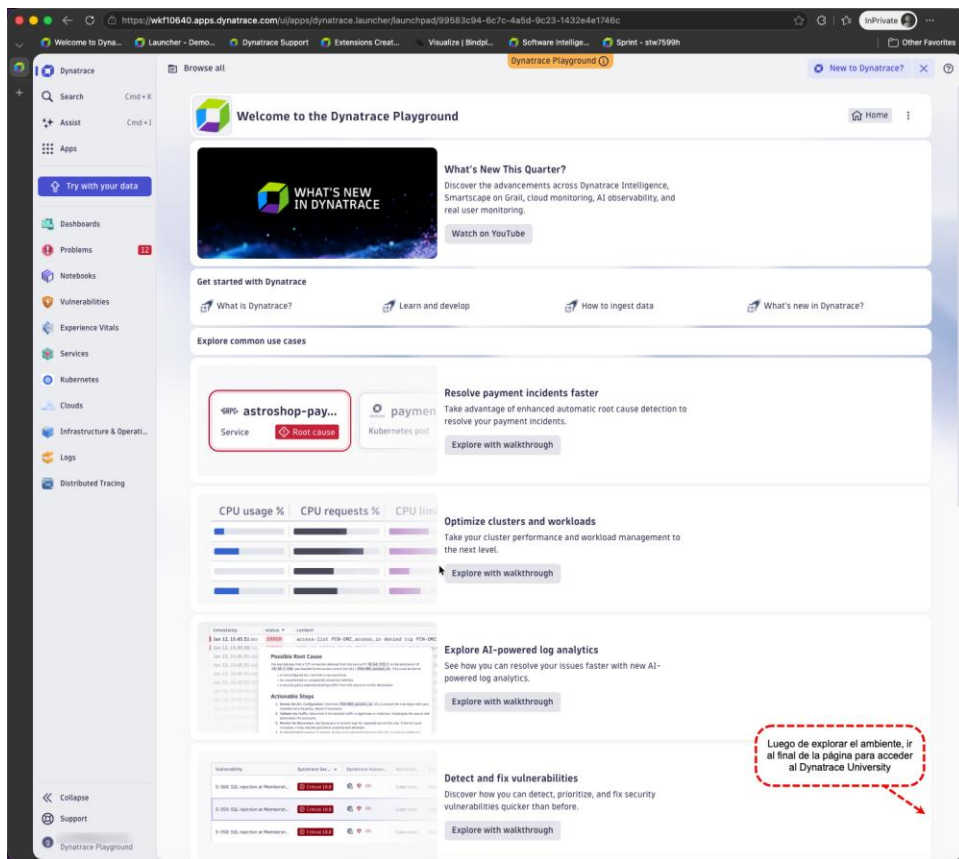

Aparecerá la ventana **"Welcome to Dynatrace Playground"**. Puedes ver el video introductorio y luego hacer clic en **"Start exploring"**.

Ventana de bienvenida del Playground. Presiona "Start exploring".

Paso 5 — Explorar y bajar al final de la página

Ya estás dentro del Playground. Tómate un momento para explorar. Cuando quieras continuar hacia la capacitación, **desplázate hasta el final de la página**.

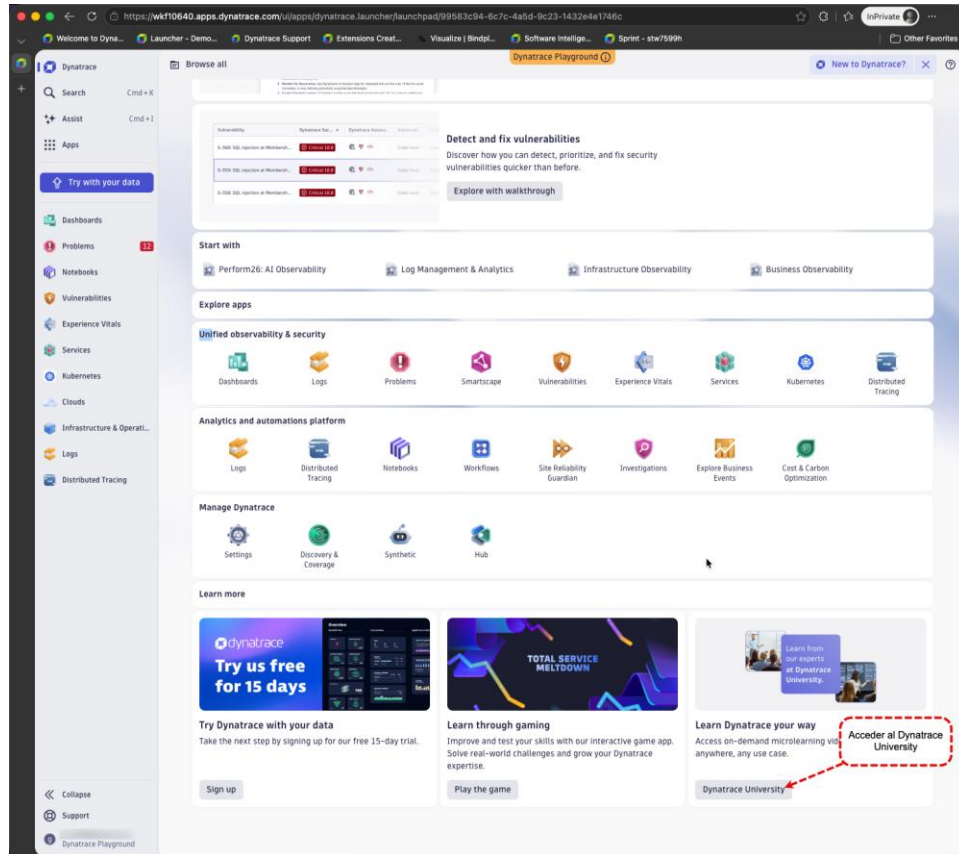

Pantalla de inicio del Playground. Baja hasta el final para acceder a Dynatrace University.

Parte 2 · Acceder a Dynatrace University

Paso 6 — Abrir Dynatrace University

En la parte inferior de la página, en la sección “Learn more”, ubica la tarjeta “Learn Dynatrace your way” y haz clic en el botón “Dynatrace University”.

Al final del menú, haz clic en el botón “Dynatrace University”.

Paso 7 — Iniciar sesión

En el portal de Dynatrace University, haz clic en “Sign in” (arriba a la derecha) e ingresa con el mismo correo y contraseña que creaste en la Parte 1.

Dynatrace University Terms & Conditions

You must read and agree to the terms and conditions in order to proceed

Dynatrace University Terms and Conditions

This Agreement (as defined below) contains terms and condition(s) related to accessing, using, and/or interacting with Dynatrace's training services, certification exam(s), and all related materials and content associated with Dynatrace University, as such term is used on Dynatrace's website. The terms are organized in the following manner:

- General Terms (applicable to all users)
- Additional Terms of Service for Live Training (applicable if You have registered for Dynatrace's instructor-led classes and/or virtual training tabs)
- Additional Terms of Service for Certification (applicable if You have registered to take an exam in pursuit of obtaining a Dynatrace certification)

PART A. GENERAL TERMS

1.0 Introduction

These General Terms, along with the Additional Terms of Service for Live Training and Additional Terms of Service for Certification (as applicable) collectively, the "Agreement" govern Your access to and use of the applicable service offering provided by Dynatrace for which you have registered (the "Service") and constitute the agreement between "You", meaning the individual who has clicked to accept this Agreement on behalf of yourself and (as applicable) your organization, and Dynatrace LLC, a Delaware limited liability company ("Dynatrace"). **BY USING THE SERVICE, YOU ACKNOWLEDGE THAT YOU HAVE REVIEWED AND ACCEPT THIS AGREEMENT AND ARE AUTHORIZED TO ACT ON BEHALF OF AND BIND YOUR ORGANIZATION TO THIS AGREEMENT.** You and your organization are collectively referred to as "Client". The General Terms found in this Part A wholly apply to You, regardless of which Service is accessed. The additional terms of service ("Additional Terms") found in Part B (Additional Terms of Service for Live Training) and Part C (Additional Terms of Service for Certification) apply if You have registered to access a Service stated in and supplementarily governed by such Additional Terms.

2.0 Confidentiality

"Confidential Information" means all information disclosed by Dynatrace to Client pursuant to the Agreement, in any form or medium, whether oral or written, that is designated confidential or proprietary, or that a reasonable person should understand is confidential or proprietary. Confidential Information includes without limitation: the terms of the Agreement; information related to Dynatrace's technology, products, exams, trainings, know-how, trade secrets, whether or not patentable or copyrightable, customers, business plans, promotional or marketing activities, finances and other business affairs. Client will not remove or destroy any proprietary markings or restrictive legends contained in any Dynatrace Confidential Information. Confidential Information will not include information that: (i) is in or enters the public domain without breach of this Agreement; (ii) Client lawfully receives from a third party without restriction on disclosure and without breach of a nondisclosure obligation; or (iii) Client develops independently, without use of or access to Confidential Information.

Client agrees that the Service and all related content and materials: (i) is Confidential Information; and (ii) constitutes valuable assets and confidential trade secrets of Dynatrace. Client therefore agrees to keep in confidence and protect the Service, including but not limited to screenshots, ideas, concepts, designs, specifications, computer programs and strategies from disclosure to third parties and restrict its use as provided in this Agreement. Without limiting the foregoing, Client shall not use the Confidential Information for any purpose other than as necessary to fulfill its obligations or to exercise its rights under the Agreement (the "Purpose"). Client shall not disclose Confidential Information to any third party. Client shall protect Confidential Information in the same manner as it protects its own valuable confidential information, but with no less than reasonable care. Client shall promptly notify Dynatrace upon becoming aware of a breach or threatened breach hereunder and will cooperate with any reasonable request of Dynatrace in enforcing its rights. Unless prevented by law, regulation or court order, following the termination or

The screenshot shows the Dynatrace Essentials course page in a web browser. The page has a dark theme. On the left is a sidebar with a 'USER MENU' and various navigation options like 'My dashboard', 'Course catalog', 'My playlists', 'Live training', 'Certificates', 'Certifications', 'Additional resources', 'My activities', 'My transcript', 'My transactions', 'FAQ', and 'Support'. The main content area is titled 'Dynatrace Essentials' and shows a 'Syllabus' with 9 lessons. The first lesson, 'Dynatrace Essentials: An Introduction to Dynatrace', is highlighted. A red dashed box is drawn around the 'Start learning now' button for this lesson. A red arrow points from a text box to this button. The text box contains the instruction: 'Hacer clic en "Start learning now" para iniciar el contenido de la capacitación.' At the bottom right, there is a 'Navigation designed for efficiency' pop-up with a 'Start tour' button.

¡Felicitaciones!

Has completado el registro y ya estás dentro de tu primera capacitación de Dynatrace. Estos consejos te ayudarán a avanzar:

- Sigue las lecciones en orden; cada una prepara la siguiente.
- Tu progreso se guarda automáticamente: puedes pausar y retomar cuando quieras.
- Al terminar las 9 lecciones se habilita el examen del certificado (“Certificate Program Exam”).
- Usa el Playground para practicar en paralelo lo que vas viendo en el curso.

¿Tienes problemas para entrar?

- Verifica que estés usando el mismo correo y contraseña creados en la Parte 1.
- Si no recuerdas la contraseña, usa la opción de recuperación en la pantalla de inicio de sesión.
- Prueba en una ventana privada / de incógnito para descartar sesiones anteriores.
